**About the Creative City Network of Canada (CCNC)**

The Creative City Network of Canada is a national, non-profit organization that facilitates collaboration, knowledge sharing, research, and professional development for the cultural sector at the local level; through the development of cultural policy, planning, and professional practice.

The annual Creative City Summit is held in different regions of the country and provides face-to-face opportunities for members to network and gain professional development and knowledge in the field of cultural policy, planning, and development. [www.creativecity.ca](http://www.creativecity.ca)
