

Nonprofit Finance Fund Moving

A SAMPLE SCHEDULE

This chart shows a hypothetical fast-track move for a nonprofit organization, based on the assumption that it is for a 5,000 square foot space, there is no renovation or construction, and the move takes place over a weekend. Use a move schedule as a way to communicate with your staff, old and new building management, movers, contractors and consultants.

WEEK 1

Monday

- Hold strategy move meetings
- Arrange start of new phone service (local & long dist.)
- Schedule cancellation of old phone service
- Arrange forwarding of mail
- Schedule elevators for move and post move
- Schedule building services, heat and a. c.

Tuesday

- Take furniture and equipment inventory

Wednesday

- Take furniture and equipment inventory
- Purge Files

Thursday

- Take furniture and equipment inventory
- Purge Files

Friday

- Purge Files
- Plan furniture layout for new space
